Index to the Back Issues of the Journal of End User Computing

(formerly Journal of Microcomputer Systems Management)

The Journal of End User Computing (formerly Journal of Microcomputer Systems Management is in its sixth year of publication. We offer you this listing of its contents from its inception. This includes: volume 1, issue 1-3 (1989); volume 2, issues 1-4 (1990); volume 3, issues 1-4 (1991); volume 4, issues 1-4 (1992); volume 5, issues 1-4 (1993).
